LB 707

CLERK: Mr. President, Senator Bereuter moves that LB 707 be returned to Select File for a specific amendment. The amendment, Mr. President, can be found on page 1011 of the Legislative Journal.

PRESIDENT: Senator Bereuter.

SENATOR BEREUTER: Mr. President, members of the Legislature, during debate, General File debate on LB 707, Senator Carsten raised a point which was a good one in which he asked for clarification as to who would pay the recording and filing fees. It has always been our intent that they would be paid out of the Nebraska Water Conservation Fund but that was not clear from the bill. So the amendment provides that those fees for recording and for any kind of easements would be paid for from the Nebraska Water Conservation Fund. I ask for the return of LB 707 to Select File for the adoption of that specific amendment. Mr. President, I ask for the return of LB 707 to Select File for the adoption of the specific amendment I just explained.
